Are you a Faulkner County registered voter? Yes No

1. What are your qualifications for serving on this Board or Commission, including education and expertise in the subject matter?

I have lived in Faulkner County all my life and am a fifth generation to do so. I have been on more than 20 boards including chairman of UCA Foundation, Conway Chamber, United Way, and Deliver Hope.

2. Why would you like to be considered for appointment to this Board or Commission?

I used the museum recently for the bank's art. I was shocked at the quality of the contents but also at their budget. I would like to help them raise money.
