Narrative

On February 7, 2022, at approximately 1145 hours, I was dispatched on a theft call for service for Mark Ledbetter (complainant) with Faulkner County Road Department (victim). Mr. Ledbetter advised they had a digital speed sign stolen from the area of 427 Clinton Rd.

I contacted Mr. Ledbetter via phone, who advised the road shop had a driver feedback sign stolen (Radarsign TC-1000 Radar Speed Sign/property) stolen, possibly overnight. Mr. Ledbetter e-mailed his statement with the sign information and a photograph showing what the sign looked like.

The statement and photograph were placed into Patrol Photos.

Mr. Ledbetter was advised of the incident number.

I sent dispatch an NCIC form to have the sign entered into NCIC.

Administrative Use Only - IBRS

Date

On February 7, 2022 we found that one of our driver feedback signs located on the east side of Clinton Road near #427 was missing. It appeared that the metal post it was attached to had been cut. Post and sign both were gone.

Part #PNS10-DFS-DC11P

Model #201284259

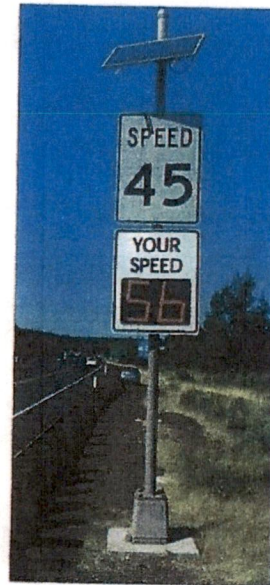

Sign with post value is, \$3,000.00.
