Be it enacted by the Quorum Court of the County of Faulkner, State of Arkansas. An ordinance to be entitled: An ordinance constituted under the provisions of ACA 14-14-1202 (Sections 2(A) and (B)) to permit the County to purchase services directly from a County official, to specify the services and to define the unusual circumstances, to proclaim an emergency, and for other purposes.

Section 1: The Faulkner County Election Commission at present has voting machines stored in widely separated locations including public and private buildings, rental units, and residences, all of which has created an undesirable and very unwieldy situation in the safe guarding of the machines, their programming for election and subsequent transportation to voting precincts.

Section 2: Mr. Carl Roebuck, Chairman of the Faulkner County Election Commission, has offered to store all of the voting machines in the Circle R Grocery in Wooster for \$200.00 per month until the plans of the County to construct a central facility for the voting machines are realized. (See attachment I to this ordinance indicating Mr. Roebuck's ownership of this business.)

Section 3: It is in the best interest of Faulkner County to accept Mr. Roebuck's offer as this Court is well aware of the unsatisfactory conditions which currently prevail in the storage and utilization of the voting machines.

Section 4: Due to the critical situation involving the storage and maintenance of the voting machines owned by Faulkner County and in recognition of the fact that construction of a central facility for the purposes could be at an undetermined time in the future, an emergency is hereby declared and this ordinance shall be in full force and effect upon passage and approval.
