WHEREAS, the Quorum Court of Faulkner County, Arkansas (the "County") has determined that there is a great need for a stable source of revenue to assist the County in funding County roads and matters of criminal justice; and

WHEREAS, Title 26, Chapter 74, Subchapter 4 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") provides for the levy of a one-half of one percent (½%) county-wide sales and use tax in counties not having a county-wide one percent (1%) sales and use tax; and

WHEREAS, pursuant to the Authorizing Legislation, the collections of the sales and use tax are divided among the levying county and the municipalities therein that do not levy a local sales and use tax based upon population, with the proviso that in the event the county subsequently levies an additional sales and use tax, all municipalities shall share in the tax collections based upon population; and

WHEREAS, the County does not currently levy a one percent (1%) sales and use tax; and

WHEREAS, municipalities in the County are also in need of a stable source of revenue to assist in financing the general operations and other purposes of their municipal governments;

NOW, THEREFORE, BE IT ORDAINED by the Quorum Court of Faulkner County, Arkansas:

Article 1. Under the authority of the Authorizing Legislation, there is hereby levied a new one-half of one percent (½%) tax on the gross receipts from the sale at retail within the County of all items which are subject to the Arkansas Gross Receipts Act of 1941, as amended (A.C.A. §§26-52-101, et seq.), and the imposition of a new excise (or use) tax on the storage, use, distribution or other consumption within the County of tangible personal property subject to the Arkansas Compensating Tax Act of 1949, as amended (A.C.A. §§26-53-101, et seq.), at a rate of one-half of one percent (½%) of the sale price of the property or, in the case of leases or rentals, of the lease or rental price (collectively, the "Sales and Use Tax").

Article 2. The Sales and Use Tax shall be levied and collected only on the first \$2,500 of gross receipts, gross proceeds or sales price from each single transaction.

Article 3. After the charge (currently 3%) is deducted by the State Treasurer for the services of the State of Arkansas in collecting and distributing the collections of the Sales and Use Tax, the remaining collections of the Sales and Use Tax (the "Net Collections") shall be distributed to the County and the municipalities therein that do not levy a sales and use tax based on population as described in the Authorizing Legislation; provided, however, that if the County subsequently levies an additional sales and use tax, the Net Collections shall be distributed to the County and all municipalities therein based on population as described in the Authorizing Legislation.

Article 4. Net Collections of the Sales and Use Tax to be received by the municipalities in the County shall be used by the municipalities to assist in funding the general operations and other purposes of their respective governments. Each such municipality shall make the determination as to how its share of the Net Collections shall be expended from time to time.

Article 5. The County's share of the Net Collections of the Sales and Use Tax shall be used as follows: 50% for the County Road Department; and 50% for criminal justice purposes.
