Faulkner Co. Fire Chiefs Association

4 Beaverfork Rd.

Conway AR 72032

(501) 358-1858

Proposal for help funding SCBA (self contained breathing apparatus) for all the volunteer fire departments. The proposal is 400 SCBA packs, 800 SCBA bottles, and masks for every department for a total of \$3,284,668.00

We are asking for you to consider using a portion of the American Rescue Plan money to help us with a major problem we are facing. Out of the 23 departments in Faulkner County, 20 of them are out of compliance with NFPA, NIOSH, and ISO. Every SCBA pack has a NFPA year rating on it. Ours range from 1994 to 2007. Some departments have several different brands, making them have several different masks and not being compatible with each other. Our SCBA is what we use to keep us safer while working structure fires, car fires, or any other call where we should not be breathing in the air around the incident.

If you grant us this proposal you will be helping by getting ALL of our departments up to date with NFPA, NIOSH and ISO making it safer for all of the volunteers. You will be helping us become compliant with every other department in the county that run mutual/auto aid with. This would mean that we would ALL be trained to use ANY departments SCBA pack or SCBA bottles. This would allow us to have more people per scene able to go inside a fire or provide more air availability to work longer.
