GUARDRAIL

December 7, 2020

Specifications

General

All guardrails shall meet the requirements of the applicable sections of 617 of the Arkansas Highway and Transportation Department Standard Specifications for Highway Construction, 2003 Edition. Traffic control must be established in accordance with 2003 Edition of the Manual on Uniform Traffic Control Devices. New guardrail installation must be completed within 15 days; repair of existing guardrail must be completed within 72 hours.

Term

The term of the contract shall be for one (1) year from January 1, 2021 - December 31, 2021 and subject to four (4) one-year annual extensions, with any extension to be mutually agreed upon by Faulkner County and the contractor. No contract shall be automatically renewed and written confirmation shall be required.

Non-Appropriation Clause

Notwithstanding anything contained in this Agreement to the contrary, if the Faulkner County Quorum Court fails to appropriate funds for subsequent period within the term of this Agreement, the County shall not be obligated to make payments beyond the then current fiscal appropriations period provided that Company shall have received a written notification of the occurrence of the following events:

- a) Funds are not appropriated for a subsequent period during the Term of this Agreement for the acquisition of services and functions which, in whole or in part, are essentially the same services and functions for the performance of which the services and functions were purchased.
- b) County has exhausted all funds legally available for all payments due under this Agreement; and
- c) Such non-appropriation did not result from any act or failure to act of County.

Then, Company's only remedy shall be to terminate this Agreement at the end of the period which notice is given and take possession of any equipment owned by the Company. Company shall be entitled, however, to any payments and other payments due and owing during any previous period.

Performance Bonds

All bids must contain a letter of intent from a bonding company authorized to do business in the State of Arkansas stating its willingness to bond the Contractor pursuant to the terms of any contract resulting from the ITB. The Contractor shall procure and maintain, at the Contractor's expense, a Performance Bond for the period of the contract project, including any warranty period. Certificates evidencing the effective dates and amounts of such bond must be provided to the County. This information shall be provided to Faulkner County, not later than fifteen workdays, from the date of award of the term contract.

Bid Bond

A certified check or bank draft payable to the order of Faulkner County negotiable U.S. Government bonds (at par value), or satisfactory bid bond executed by the bidder and an acceptable surety in an amount of equal to five (5%) of the total of bid shall be submitted with each bid.

Insurance

All proposals must contain a letter of intent from an insurance company authorized to do business in the State of Arkansas stating its willingness to insure the Company pursuant to the terms of any contract resulting from the RFP. The Company shall procure and maintain, at the Company's expense, the following insurance coverage for the period of the Contract. Certificates evidencing the effective dates and amounts of such insurance must be provided to Faulkner County:

- a) Workers Compensation: As required by the State of Arkansas.
- b) Comprehensive General Liability (Broad Form) Coverage in amounts specified under the contract for work at the facility prior to the signing of the contract.
- c) Minimum shall be the total amount of contract
